

## **C.J. Ultsch – Front Office Staff**

### **Bio**

I am a Business Administration graduate with over 20 years experience in management and customer service. I moved to Beaufort from Pittsburgh, Pa in 1996. For 10 years, I've enjoyed meeting and serving the wonderful people of Beaufort and surrounding areas. Also, for all those years, its been a pleasure to know and work with such talented and caring individuals that make up the team here at Carolina Sportscafe and Physical Therapy. Being part of this team since 2002 has made me a better individual. In my spare time, I enjoy swimming, taking long walks and reading a good book.
