Bio

I moved to Beaufort in 2002, and it quickly became my home, I am still amazed by the beauty that surrounds us everyday. I am proud to be the mother of three grown children and “maw maw” to six wonderful grandchildren. When I’m not working I enjoy reading, crossword and sudoku puzzles, watching movies, tending to my flowers and plants, playing with my kitty cat “baby”, and I try never to miss a nascar race, Go 24!!!

I spent 27 years in the early childhood and elementary education fields both as a teacher and school secretary. It has been my pleasure to be employed for the past 2 years in the Physical Therapy field, most recently at CSCPT in the billing dept. and front office. I love working closely with our patients and strive everyday to give them the service and quality care they deserve.
