

Biography

Lisa Smith.

I was born and raised in the small town of Varnville, South Carolina. I later moved to Myrtle Beach, SC. I attended USC-Coastal Carolina College and obtained a degree in Business Administration with a concentration in management. After 12 years of employment in retail management, I decided it was time for a career change. For the past 5 years I have worked in an administrative capacity in the medical field. I recently joined the office staff of Carolina SportsCare and Physical Therapy, and look forward to being part of their winning team.
