

# Kevin O. Green, PTA, MLDT-CDT, ARS

Certified Lymphatic Drainage Therapist, Physical Therapist Assistant,  
Aquatic Rehab Specialist, Sports Conditioning Specialist

## Exercise is medicine

“Just as the right medicine can often assist in the healing process the body, the right prescription exercise program assists in pain-free return to sports and life.”

**AS:** Physical Therapist Assistant, Harcum College

**Certified:** Manual Lymphatic Drainage, Vodder International, Victoria, BC; Sports Conditioning Specialist, International Sports Science Association; Aquatic Rehab Specialist

## Our responsibility for better patient care

“Our responsibility to you, the junior athlete, weekend warrior, cancer survivor and senior athlete is to provide the highest quality of care and educate you so that your pain does not return. We accomplish this through continuing education and ensuring that the services we deliver and the manner in which they are performed are all undertaken with a commitment to excellence.”

**Continuing Education:** Mulligan Mobilization Techniques for the Cervical Spine, University of Maryland; Mechanical Dx & Therapy of the Lumbar Spine, McKenzie Institute; Sports Medicine; Evaluation & Treatment of the Wrist & Hand; Wound Care; Feldenkrais Mobilization; Vodder Lymphatic Drainage Therapist

**Memberships:** American Physical Therapy Association (Aquatic Rehab, Women’s Health, Private Practice and Orthopaedic sections), National Strength & Conditioning Association, International Sports Science Association, North American Vodder Association for Lymphatic Therapy

## Better results through teamwork

“Most important to quality patient care is our concept of TEAMWORK as expressed in our mission statement and practiced every day in the services we deliver and the spirit with which we deliver them.”

**Instructor:** Nike Speed, Agility & Quickness; First Aid & CPR, American Red Cross

**Community Service:** United States Naval veteran, American Red Cross CPR & First Aid Instructor, athletic development workshops for young athletes, race performance consultant to American Leukemia Society’s “Team in Training”

**Personal Achievements:** 8 marathons completed, half Ironman finisher, 1 ultra-marathon completed

“Our common goal at Carolina Sportscare and Physical Therapy is to work as a team to ease your pain and get you back to an active life. We do this in an environment which is friendly and fun, using state-of-the-art equipment and the most up-to-date therapy techniques available. We will see you within 24 hours of your call and help you recover in less time, too.”

*Keeping you in your game...for life.*
